Explanation of Responses:

1. The two reported transactions involve an amendment of an outstanding option to extend the term of the option, resulting in the deemed cancellation of the old option and the grant of a replacement option. The option was originally granted on July 31, 2015. The option provides for vesting in five installments based on the satisfaction of certain stock-price based performance targets during the term of such option.

/s/ Mark L. Baum
